

G **D7** **em** **C**
 When I'm feeling down and I don't know where to go

G **D7** **em** **C**
 When I'm being crushed in my personal black hole

am **D7** **G maj7** **C**
 When the stars just won't align for me, in this space and time

am **D7** **G Gsus4 G**
 I ride my KLR, and I am fine.

With my visor down and accelerator on
 I'm an X-Wing jock, just in two dimensions
 Bugs and moths in my headlight are just my jump to Warp 9
 I'm on my KLR, and I am fine.

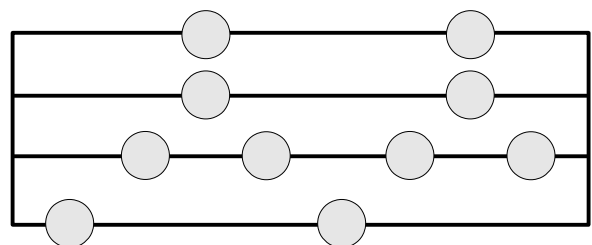

Chorus:

D **D7** **B7** **em**
 I'm the pilot of my fate, in this ship of mine

am **D7** **C** **G**
 I ride my KLR, and I am fine.
